10. Where do you see the role of cycling in Moreland in four years and what would you hope your contribution to that would be? Thanks for your participation!

Thank you for asking my views. As a my place of residence is right next to OHea street, I see the real benefits of the bike lanes that are there. I wish I'd see more people using them however! The budgets in Moreland are tight, with numerous lobby groups seeking to have their projects funded over the term of council. I would like to see better bike paths in Fawkner and Glenroy, areas of Moreland that could have better infrastructure and would most definitely commit to this over the next four years if elected in two weeks time. Thank you, Shaun
