Moreland Bicycle User Group - Council Candidates Survey 2016

The Moreland Bicycle User Group (BUG) is conducting a survey of candidates for Moreland in the 2016 Council election to inform members of candidates' attitudes to cycling.

The survey should take no more than 5 minutes.

- About right
- Not very safe
- Very unsafe
- Other:

Road safety, environmental sustainability, greenhouse emissions and public health & obesity are important public policy issues which are influenced by decisions you will make if you are elected. Do you see bicycle riding helping to solve any of these problems? *

- Unrelated
- Some
- Significant part of the solution
- Other:

Do you think that the best solution to road traffic congestion is: *

- Building more roads
- Providing sustainable transport options such as public transport and safer cycling that take cars off the road
- Other:

The Moreland Bicycle Strategy (<http://www.moreland.vic.gov.au/globalassets/key-docs/policy-strategy-plan/bicycle-strategy-2011-21.pdf>) states that "To deliver these projects Council will need to increase funding commitments beyond historic levels [\$5 per resident] and commit to increasing bicycle expenditure in response to growth in cyclist numbers, population and inflation." In your view is \$5 per resident: *

- Too much
- About right
- Not enough
- Other:

What is the role of Council and Councillor decisions in promoting cycling in Moreland? *

- None/there are other priorities to focus on
- Minimal - happy to lend passive support for projects funded by others
- Moderate
- Major - cycling is a local issue with significant local benefits
- Other:

Where do you see the role of cycling in Moreland in four years and what would your contribution to that be? Don't forget to press "SUBMIT" when you have finished. Thanks for you participation! *

While commuter cycling is an important factor to reduce traffic congestion, more investment is also needed to improve our levels of casual cycling - for recreation, shopping and socialising. Big parts of Moreland are almost impossible to live in without a car and this shouldn't be the case. Council needs to work harder to improve the safety of cyclists and encourage more of our population out of their cars.
