

# Moreland Bicycle User Group - Council Candidates Survey 2016

The Moreland Bicycle User Group (BUG) is conducting a survey of candidates for Moreland in the 2016 Council election to inform members of candidates' attitudes to cycling.

The survey should take no more than 5 minutes.

- None/there are other priorities to focus on
- Minimal - happy to lend passive support for projects funded by others
- Moderate
- Major - cycling is a local issue with significant local benefits
- Other: .....

Where do you see the role of cycling in Moreland in four years and what would your contribution to that be? Don't forget to press "SUBMIT" when you have finished. Thanks for you participation! \*

Cycling is a great way to get around. Encouraging more cyclists on the roads cuts pollution and traffic congestion and keeps everyone happy and healthy - I don't even own a car. I rely on my trusty road bike, public transport and the occasional Uber or share car. Council has a responsibility to ensure cycling is as safe and accessible as possible.

All greens candidates running for Council will increase funding on cycleways and walkways by 50%. This will enable Council to implement the Moreland Bicycle Strategy 2011-2021 including:

- completing the upgrade and lighting of the Upfield bike path;
- completing gaps in the Merri creek trail;
- improving bicycle parking at train stations and throughout the city and continuing to ensure developers integrate bicycle facilities into new dwellings.

The Greens will also advocate for more separated bikes lanes for safer travel, including on Sydney Road (where I have unfortunately been hit on my bike before).
