

Moreland Bicycle User Group - Council Candidates Survey 2016

The Moreland Bicycle User Group (BUG) is conducting a survey of candidates for Moreland in the 2016 Council election to inform members of candidates' attitudes to cycling.

The survey should take no more than 5 minutes.

- Merri Creek Path
- O'Hea Street Bike Path
- Upfield Shared Path (along Upfield railway corridor)
- Other:

What is your perception of bicycle safety in Moreland? *

- About right
- Not very safe
- Very unsafe
- Other: I think it is safe for confident regular riders, but needs to be improved for those who are intimidated by getting on the roads and for young riders.

Road safety, environmental sustainability, greenhouse emissions and public health & obesity are important public policy issues which are influenced by decisions you will make if you are elected. Do you see bicycle riding helping to solve any of these problems? *

- Unrelated
- Some
- Significant part of the solution
- Other:

Do you think that the best solution to road traffic congestion is: *

- Building more roads
- Providing sustainable transport options such as public transport and safer cycling that take cars off the road
- Other:

What is the most appropriate traffic speed for our local streets to ensure safety for all users? *

- 30 km/h

The Moreland Bicycle Strategy

(<http://www.moreland.vic.gov.au/globalassets/key-docs/policy-strategy-plan/bicycle-strategy-2011-21.pdf>) states that "To deliver these projects Council will need to increase funding commitments beyond historic levels [\$5 per resident] and commit to increasing bicycle expenditure in response to growth in cyclist numbers, population and inflation." In your view is \$5 per resident: *

- Too much
- About right
- Not enough
- Other:

What is the role of Council and Councillor decisions in promoting cycling in Moreland? *

- None/there are other priorities to focus on
- Minimal - happy to lend passive support for projects funded by others
- Moderate
- Major - cycling is a local issue with significant local benefits
- Other:

Where do you see the role of cycling in Moreland in four years and what would your contribution to that be? Don't forget to press "SUBMIT" when you have finished. Thanks for you participation! *

I'd like to see bikes used a lot more for short distance local trips - getting kids to school, heading to the shops, visiting local cafes and parks etc. These behaviours improve health and well-being, build community and improve safety by reducing car traffic and parking on local streets. Improving perceived and real safety for riders is a priority for these actions as well as better infrastructure, electric bike facilities and cargo bike options. Perhaps council could offer these for loan or hire.
